BBC4

Endurance: The Hunt for Shackleton's Lost Ship

90 min Documentary

Sir Ernest Shackleton's 1914 expedition to Antarctica is one of the greatest stories of leadership and extreme endurance in history. After his ship sinks, Shackleton leads 27 men on an epic struggle of survival. Shackleton's battle against the odds and his unflinching commitment to bring all his men out alive turns Shackleton into a legend that still inspires today. Now, History follows a new ground breaking expedition heading back into the frozen seas to hunt down the last piece of the story - Shackleton's lost ship.

More4

60 min Documentary

The blue-crowned statue of a beautiful woman, wearing the full regalia of a royal wife was officially dug out of the Amarna desert in 1912. Since that time, admirers have marvelled not only at its artistry, but also at its remarkable preservation. Investigators trace the history of the bust, and the most powerful woman that Egypt had known.

Ayamna (Our Days)

Ultramarine Films

Documentary
Feature

50 min Documentary

A poetic feature documentary that captures the national spirit of Qatar. Human stories unfold within an abstract narrative structure that explores the range of human emotions and follows the natural chronology of time as it passes through the unstoppable forward moving path of a 24-hour day. Life's mysterious and ever present contrasts are at the heart of this film, featuring stories of triumph and failure; of traditions and ambition; of despair and of hope; of the individual and of the community; of technology and of nature – while each stage of human life is considered as we all live and breathe through our journey from youth towards the inevitability of old age.

Living With The Tudors

84 min Documentary

Living with the Tudors transports us to extraordinary places in another time where social mores, clothes, language and the very pace of life are profoundly changed whilst individual fears and hopes remain eerily modern. Every year, 500 volunteers spend their summer holidays re-enacting every conceivable walk of 16th century English life at the UK's oldest and largest historical re-enactment home at Kentwell Hall in rural Suffolk.

Soda Pictures

Pope & Guthrie

Bata-ville

95 min Documentary feature

Bata-ville (We are not Afraid of the Future), 'a sad film about hope', follows a coach trip to Zlín in the Czech Republic. The passengers are from Essex and Cumbria – where the Czech shoe entrepreneur Tomas Bata had created factories and housing. The coach party, many of them former employees, travel to Bata's home, to reflect on his history, and their past and future lives in the light of recent regeneration initiatives in their hometowns. The film is a hybrid of feature and documentary that acts both as travelogue and artwork. It explores personal and historical realities to uncover the way people; places and ideas converge at certain times and around certain ideals.
