

Chris Travis

Offline Editor

Chris is an offline, storytelling editor with 10 years' experience in broadcast documentary and factual television. His credits include over 100 shows for Channel 4, Channel 5, Discovery, National Geographic, The Food Network and more.

Proficient in Final Cut Pro and Avid, Chris is used to taking his own initiative and working unsupervised; however he also enjoys working as part of a team. His main strength is the ability to find and develop storylines, which has also led him to write scripts.

These qualities haven't gone unnoticed by his clients, which include Reef TV, Britespark Films, Arrow Media, Nutopia, Argonon, Cactus TV and Transparent TV.
