Documentaries

Outbreak Onboard 60 min Documentary

Make Wave Media

CNA

This is the story of how the luxury cruise liner, The Diamond Princess, turned into a floating epidemiological disaster. Taking an in-depth look at how the authorities responded to an unprecedented situation when there were still so many unknowns about the Coronavirus. Leading infectious disease experts weigh in on the drama offering their take on how the infection was managed and why it spread so rapidly.

Iceland: Nation's Freezer Documentary

Ricochet

Channel 5

Revealing the secret world of Iceland's food development, sourcing, manufacturing, distribution and freezing processes. Following - from farm to fork - the people who get the produce to the aisles, all year round and at famously low prices.

Dispatches: The Prince and the Peadophile 60 min Documentary

Britespark Films

Channel 4

Current affairs documentary exploring the extraordinary friendship between Prince Andrew and multimillionaire paedophile Jeffrey Epstein. As the full extent of Epstein's crimes emerge, the Prince stands accused of sleeping with a 17-year-old girl supplied by the investor. While the scandal deepens, reporter Cathy Newman explores Epstein's British connections, including Robert Maxwell's daughter Ghislaine and the Queen's second son.
