

# Ceyda Barut

Junior Editor / Edit Assistant Avid, Premiere

With 5 years of experience in Television Post Production, including 4 as an Edit assistant and a year as Head of MCR. Ceyda has gained a strong technical understanding of workflows for a range of programmes. Working on long and short form shows and short films, Ceyda has also sync pulled and edited whole episodes from rough cut and fine cut.

**Duties as an Edit Assistant included:** Backing up rushes (including archiving to LTO tapes via Storage DNA), ingesting emida, conforming, exporting (EDLs, AAFs, QTs), syncing footage, grouping multicam (including footage, go pros and drones) and providing technical support for editors. Confident in Avid Media Composer, Adobe Premiere Pro and Davinci Resolve. Also confident using Editshare and Indiestor Services.

**Duties as Head of MCR included:** Creating AS11s and converting to other file types, delivering programmes internationally (via Aspera, Signiant, ftps), prioritising work received and delegating tasks to edit assistants, improving workflows to become more efficient including programmes such as Trello, buying new equipment and comparing technical specifications. Confident using Farmers Wife and Google drive.
