Director of the video production company specialising in event videography and production.

Leopard Films

December 2011 – January 2012

Varied roles included administrative duties, daily reviews editing and performing outside tasks for colleagues.

Youth Service Network/Tool Box Media

November 2010- May 2013

Responsible for editing recorded footage for clients wishing to embellish projects. Projects included advertisements, short films and personal videos. Additional responsibilities involved camera operating and sound design.

Royal Sun Alliance

January 2010 - August 2010

Administrative based work for the Royal Sun Alliance. His duties have included using Microsoft Word and Excel data entry, answering telephone calls, filing and general customer service.

Odeon Cinema West End branch

June 2008 – September 2009

He had a wide range of roles to fulfil in the cinema environment including retail in which I served snacks as well as ushering, bar duties, cash handling and general customer service.

Student Union Magazine

September 2005 – May 2008

He was a voluntary journalist for London Metropolitan University's monthly paper. His tasks included attending film festivals and previews for the latest cinematic releases which would enable me to review and write articles about them.
