Skills

Bethany is skilled in editing a broad range of programmes across broadcast and digital, with a strong background in short form, entertainment and reality-style content. She delivers high quality work to deadline, with the ability to see edits through from ingest to final delivery. And is experienced in music selection, sound effects, graphics and visual transitions and enjoys working with pacy and stylised cuts.

Bethany can craft a narrative from inception or work with presenter-led scripts. From concept to completion she is enthusiastic with creative input and ideas. [RTS-award winning](#), [BAFTA New Talent-nominated](#).
