

Duwayne Oram

Editor

Kit **Editing:** Premiere, AFX, **AI:** Nano Banana, Runway, Firefly

Education BA (HONS) Media & Communications Goldsmiths, University of London

About Duwayne

Duwayne is a video editor driven by the buzz of turning sound and visuals into something that lands. He's cut everything from branded and promotional films to trailers, sizzles, mood pieces and fast-paced social content, working with a wide mix of clients and brands. And is always pushing his craft forward and looking to collaborate on bold, creative projects with new people.

Digital Entertainment

True Stories

10 x 5 min Factual Entertainment

A powerful ground breaking strand of factual intimate shorts featuring the voices and views of young people living across the UK today, distributed exclusively on digital platforms. Duwayne edited 10 x 5 min mini documentaries on a host of amazing topics, including cheese plate creator, body positivity, selfie studio, graffiti artist, football, decorative teeth covers, vitiligo, teenage magician, trans rapper and an outlandish mushroom man.

Barcroft Productions

Channel 4

Global Pulse Music

30 mins Entertainment

Global Pulse is a world news programme that takes viewers on tour. This episode explores the wonderful world of K-Pop featuring artists Norazo, WA\$UP and A-Prince.

Whitecoat Productions

BBC

NEWS UK

Content creation for News UK for their digital brands: The Sun and The Sunday Times. Strands Duwayne has created content for include: food, beauty, fashion, sports, music and current affairs.

Freelance Director & Editor

During his time at BSKYB Duwayne took on a very important all-rounder role including directing, camera operating, producing, interviewing important figures, and editing. Working mainly on cycling content for channels such as Sky Ride and Global Cycle Network.
