Editor

Profile

Nick Hristou has been freelancing in London since 2008. He comes from an advertising background so he appreciates the collaborative effort that he and the producers have to make sure the client is satisfied with the final edit. He brings a can-do attitude and a wide range of experience to the many different formats of editing he has participated in. From music videos to 30-minute documentaries, his work has appeared on Cirque du Soleil screens in Las Vegas, ads appearing before the Champions League Final 2011 as well as airing in front of Harry Potter and the Deathly Hallows Part 2 in 3D. He has recently finished work on a Longform Documentary, which he enjoyed tremendously, spurring him to make his mark in Longform also.
