Broadcast Credits

Numberjacks 12 x 20 min Animation A highly successful and award-winning animation series featuring ten small superhero numbers living inside an ordinary sofa who, with the help of children, fly out to solve problems in the real world.	Open Mind Productions	CBeebies / BBC2
Best Of Enemies 6 x 15 min Animation A 1966 VW bus and a British anthropologist with a question: What do the British really think of the Germans? Mary-Ann Ochota meets with people who are curious about German technology, German football and even German humour.	MFreeth Media	ARD Alpha
Animal Crackers 3 x 23 min Animation An unusual and amusing series that features a variety of animal-human relationships. The programme celebrates the unique - and unexpected - connections that cross the species divide.	Dog in a Box Productions	Discovery
The World's First Computer 60 min Documentary Documentation of discovery and deciphering of Antikythera Mechanism: the 2000 years computing device to find positions of astronomical objects and events.	Images First Ltd	BBC / Arte
On the ground with the Grenadier Guards 15 min Documentary The Grenadier Guards, part of the 12 Brigade commanded by Brigadier John Lorimer, have been in Southern Afghanistan all summer, often fighting in temperatures in the high 40s.	Frontline TV	BBC2
48 Hong Kong & 48 Chad 25 min Documentary	Al Jazeera English	Al Jazeera English
