**See No Evil, Series 7 and 10**

Arrow Media

Discovery ID

3 x 60 min Documentary

Using actual security camera footage, first person interviews with family, friends and investigators, this series reveals the haunting moments leading up to a murder, often uncovering surprising suspects and evidence.

**American Monster, Series 7 and 9**

Arrow

Investigation  
Discovery

3 x 60 min Drama Documentary

A look at the double lives led by serial killers, featuring drama reconstruction, home movies and remarks from loved ones and neighbours.

**The Accused: Guilty or Innocent?**

Brinkworth

A&E

60 min Documentary

Accused: Guilty or Innocent? takes viewers inside the lives of people alleged to have committed serious crimes. This series offers an intimate account of what happens when someone is formally charged with a crime and sent to trial. Presented solely from the perspective of the accused, their legal team and family members, each episode follows the accused person's journey through the planning of their legal defence, the trial and, ultimately, the verdict. As evidence mounts and the trial approaches, these emotional stories provide a first-hand look at what it is like when your freedom is on the line.

**When Sharks Attack**

Arrow Media

National  
Geographic

60 min Documentary

This series investigates the causes of shark attacks from around the world looking at the common threads between diverse and seemingly unconnected shark attacks. Using stunning GFX to bring the details of each investigation to life, alongside eyewitness accounts, new research, and experiments from a team of experts, each episode begins with a case study and a mystery at its heart – what circumstances led to the shark encounter?

**Faking It: Tears of a Crime, Series 4 and 5**

Shearwater Media

Discovery+

3 x 60 min Documentary (Ep3 & 5)

Drawing on the expertise of a body language expert, linguistics professor, and a criminal psychologist, some of the most famous modern-day UK crime stories are forensically examined.
