8 min Feature Documentary

A brand-new show for the broadcaster's social media channels that explores how people can develop a more positive relationship with money.

## Work History

---

2003 - Present

### **Freelance Broadcast TV Editor**

I have edited several hundred hours of TV to the highest broadcast standards. From working closely with producers and directors to working remotely from home, I have used my technical and communication skills to build a strong reputation as a team player who can add significant value to any production.

1998 - 2003

### **Senior Editor, Speakeasy Productions**

I started out there as a runner and over 5 busy years I became Senior Editor. I oversaw the running of 6 edit suites, created engaging corporate films and trained up a team of editors. I worked on OBs, and live events and earned my first broadcast credits.
