### What Jennifer Did

Raw TV

Netflix

85 min Feature Documentary, 1st Assistant Editor

The true story of an unthinkable murder plot conjured by Jennifer Pan. Three captivating police interrogations form the spine of this film and make us question everything about family, unconditional love, and the pressure to be perfect.

### Grime Kids

Mammoth Screen

BBC Three

45 min Drama, 1st Assistant Editor

The series focuses on the emergence of grime in the early 2000s, based on Grime Kids by DJ Target.

### Pennyworth, Series 3

Warner Bros. Television

HBO Max

2 x 51 min Drama, 1st Assistant Editor

Former British SAS soldier Alfred Pennyworth forms a security company and goes to work with Bruce Wayne's billionaire father, Thomas, in 1960s London.

### What on Earth, Series 7

Wag Entertainment

Science Channel

60 min Documentary, Assistant Editor

The series investigates mysteries from strange geological occurrences to weird man-made structures. To search for answers, the show combines modern imaging technology with analysis from military and intelligence professionals as well as leading scientists.

### War Factories, Series 3

Wag Entertainment

Yesterday

60 min Documentary, Assistant Editor

The untold secret story of war production that shaped the Second World War. Key factories for weapons, vehicles and ships are highlighted, including the American Liberty Ships.

### Man Up

University of the Arts London

20 min, Short Documentary, Assistant Editor

Exploring non-binary identity, a digital drag king born in the pandemic strikes out to get their job back on stage while a second lockdown threatens. This moving film examines what it means to be an artist, driven by a creative urge to perform.

**Rap Therapy**

Mothers Best Child Productions

Channel 4

4 min Factual Entertainment, Finishing Editor

The animated series invites well-known UK rap artists to discuss their own mental health struggles and share mindfulness techniques that can help boost wellbeing.

**The B@IT, Series 3**

Mothers Best Child Productions

Channel 4

4 min Factual Entertainment, Finishing Editor

Satirical sketch show that looks like real internet news but pranks those too quick to hit the share button.
