Inside China's Tech Boom

Windfall Films

PBS Nova

60 min Documentary

Explores the oft-hidden world of Chinese innovation. While taking a tour through China's high-profile scientific endeavours, the series highlights the systems that have enabled Chinese science to accomplish so much so quickly.

Executive Producer: David Dugan, Director: David Borenstein

Disgraced: The Beth Alexander Story

Mosaic Films

BBC

90 min Feature Documentary

Paramount+

Feature length documentary about the high-profile story of a British born Beth Alexander who was brought into the fold of an ultra-orthodox Jewish community in Vienna, Austria, only to become victim of a hidden culture where women's rights are subjugated as the norm. It's a story of conspiracy, manipulation, misogyny, when the religiosity, and orthodoxy of a tiny, insulated community can come together to fight against outsiders.

Executive Producer: Andy Glynn, Director: Jane Mingay

Ronnie Wood: Somebody up There Likes Me

Eagle Rock Films

Theatrical Release

70 min Feature Documentary

This film explores the life of Ronnie Wood through his musical career, his art, and his personal challenges.

Executive Producer: Peter Worsley, Director: Mike Figgis

Executive Producer: Peter Worsley, Director: Michael Epstein

The Billionaires Who Made Our World: Bill Gates

Britespark Films

Channel 4

60 min Documentary

With exclusive access to friends, former colleagues and insiders, the series deep dives into Silicon Valley and beyond to explore the inside story of three of the world's richest men, all giants of the tech world: Bill Gates, Mark Zuckerberg and Jeff Bezos.

Executive Producer: Tom Porter, Series Producer: Storm Theunissen

Classic Albums: Frank Zappa and the Mothers of Invention

Mercury Studios

Sky Arts

60 min Documentary

This documentary explores how The Mothers of Invention, led by Frank Zappa, crafted their groundbreaking debut album 'Freak Out!' in June 1966. Pioneering the rock concept album and one of the first double rock albums, it offers a unique blend of pastiche and musical collage through interviews, performances, and archival footage and uncovers the creative process with insights from legendary African-American producer Tom Wilson.

Director: Matthew Longfellow, Executive Producer: Peter Worsley

The Kinks: Echoes of a World

Special Treats Productions

Sky Arts

60 min Documentary

The story of the 1968 album The Kinks Are the Village Green Preservation Society. After failing to chart upon release it went on to become one of the most influential works in rock.

Director: Charlie Thomas, Producer: Andrew Winter
