Factual Entertainment

The Tube: Keep London Moving

Middle Child Productions

Channel 5

45 min Factual

Following the work of Transport for London, finding out how thirty-thousand staff on the frontline and behind the scenes keep the city's public transportation system moving.

Car Pound Cops, Series 2

Middle Child Productions

Channel 5

8 x 45 min Factual

Following the dramatic work of the police and recovery crews as they trace, track and tow vehicles are driven illegally on Britain's roads. With access to two police units and two recovery companies, featuring the action from the moment they are called in, to the trucks arriving on the scene.

Engineering Repurposed

Back2back Productions

Discovery+

2 x 45 min Factual

This series explores extraordinary structures, buildings, machines and gadgets which have been transformed from their original function into something entirely different.

Scrap Kings, Series 4

Back2back Productions

BBC Earth

45 min Factual

Follows workers in the world of demolition, salvage and waste management. From tower blocks to ships, bridges to Victorian mansions, every scrap of material has its value in the eyes of the scrap kings.

Documentary

Sharks

Crackit Productions

Channel 5

60 min Natural History

Three-part series that shows a surprising, insightful, and shocking look into the planet's most feared predator. Each episode takes a look at different aspects of the shark, from vicious attacks, conservation, survivor stories to examining a shark's anatomy.

Coastguard: Search and Rescue, Series 1 and 2

Middle Child Productions

Channel 5

8 x 45 min Documentary

An observational documentary series following the work of His Majesty's Maritime and Coastguard Agency. From daring search and rescue helicopter incidents, to criminal investigations into fatal maritime accidents.

Pet Psychic

Middle Child Productions

Channel 5

2 x 45 min Documentary

This series follows the work of Pet Psychic Beth Lee-Crowther as she travels the UK meeting people concerned about their pets' behaviour and hoping that Beth will be able to find out what's wrong by talking directly to the animal.

Exploration Volcano

Back2back Productions

Dave

6 x 45 min Documentary

Chris Horsley is a volcano access specialist, explorer and all-round daredevil. In this series, he drags a group of reluctant documentary filmmakers all over the globe, responding to volcanic eruptions as they wreak havoc and threaten communities.

Unexplained: Caught on Camera, Series 2

Back2back Productions

Discovery+

6 x 45 min Documentary

The modern world is awash in cameras and recording devices, including cell phones, security cameras, baby monitors, virtual assistants, and dashcams. The series features people who have recorded chilling and disquieting footage as well as experts who try to explain the unexplainable.

World's Deadliest Weather, Series 3 and 4

Back2back Productions

BBC Earth

5 x 45 min Documentary

In this thrilling series, we feature the most extraordinary weather ever caught on camera, capturing the destruction and despair of earthquakes, floods, tornadoes and snowstorms at their worst, and interview the survivors and life-saving heroes who were part of these incredible events.
