45 min Observational Documentary

Following workers at United Utilities, one of the UK's biggest water companies, who work to keep the country's vital sewer systems running free.

Diana — October Films — CNN

60 min Documentary

The series is an honest and balanced portrayal of Princess Diana's life; her marriage to The Prince of Wales, her relationship with the Royal Family, the events which followed her divorce and her relationship with the media. Made for an American audience, the series is historically rich and full of detail, making use of archives and interviews with historians, biographers, academics and journalists, to paint a complete picture of the life of Diana, Princess of Wales.

Road to Victory — World Media Rights — Netflix

50 min History Documentary, Additional Editor

Road To Victory is the sequel to the Netflix hit colourised archive series Greatest Events of World War Two in Colour. This series features the big acts of audacious heroism and perseverance which led the allies to victory in the Second World War. The series uses exceptional and previously unseen black and white film which has been restored and colourised using archive and processing specialists.

The Diana Interview: Revenge of a Princess — Minnow Films — ITV

60 min Documentary, Additional Editor

This examines how the Princess of Wales' 1995 Panorama interview with Martin Bashir created scandal and division within the BBC itself, leading to a serious rift in the higher echelons of the corporation. The programme examines suggestions that Diana's involvement was gained through the use of fake documents, and features contributions from a graphic designer at the centre of the allegations.

Production Executive: Clare Gooding, Director: James Cohen

The Ultimate Goal — Zig Zag Productions — BT Sport

60 min Observational Documentary, Episode 5

Observational documentary series following a team of female football players. Viewers get to know eleven of the women through in-depth profiles that shine a light on their lives and how they tackle issues such as equality, bereavement, mental health and discrimination.
