Skills

Experience shooting with Canon cameras. Sound recording with zoom & lapel microphones.

Tom began working in film and commercials at RSA Films, where he gained a thorough insight into the industry and began to navigate his own career path. He has continued to expand his skillset and creative output through working as a freelance Video Editor, as well as continuing with his own projects. Tom's background in Fine Art gives him a creative eye. He is skilled in creating compelling films within tight deadlines and is experienced in a wide variety of platforms and projects including documentaries, branded content, comedy and commercials.
